**SIMBOLI ZA BRODOVE** - izrađuju se u skladu s ISO i SOLAS normama, na samoljepljivoj i krutoj fotoluminiscentnoj podlozi (odobrena od Hrvatskog registra brodova - broj odobrenja 01000967/010616) te na samoljepljivoj PVC-foliji. Na zahtjev kupca izrađujemo gore prikazane simbole u drugim veličinama, te na bilo kojem jeziku i pismu.

**SHIPPING SYMBOLS** - are manufactured in accordance with ISO and SOLAS regulations on self-adhesive and solid photoluminescent vinyl (approved by Croatian Register of Shipping - No. of approval 01000967/010616), and self-adhesive PVC foil. On customer's special request, above displayed signs can be made in different dimensions, materials and in any language or alphabet.
